A. U. Thor

Department of This and That
University of South-Eastern Norway, Campus NN, NN, Norway

May 4, 2023

The first page of the presentation

- Here's a bullet point
  - The second bullet point is here
  - A third bullet point might appear here
    - ▶ The fourth bullet point of this amazing list

Fonts

- The university design manual states that *ITC Clearface* and *Maison Neue* are to be used.
  - *Times Roman* makes "v" looks like the greek "ν" in math mode.
  - Neither of those are free and need to be purchased.
- Default fonts are therefore:
  - for headings $\text{Latin Modern Roman}$ instead of *Times New Roman* (which is a sugested system font in case *ITC Clearface* can not be used.
  - for normal text *OpenSans* instead of *Maison Neue* (which is a close match)

Math is typeset like this:

$$-\frac{\partial}{\partial x}\left(vp\right) + \frac{1}{m}\frac{\partial}{\partial v}\left[\left(\frac{\partial U_{\mathrm{T}}}{\partial x} + bv - F_{\mathrm{s}}\right)p\right]$$
$$+\frac{1}{R}\frac{\partial}{\partial q}\left(\frac{\partial U_{\mathrm{T}}}{\partial q}p\right) + \frac{S_{\mathrm{a}}}{2}\frac{\partial^2 p}{\partial v^2} = 0$$
